ABOUT US

The voice of Billericay since 1927

The Resident magazine is a 12 page colour magazine circulated to members of the BDRA 10 times a year.

The BDRA has been the Voice of the Residents of Billericay and District for over 90 years and stands up for what we hold dearest to our members, the love of this town and the protection of its beautiful rural landscape.

The focus of the magazine is to give residents information about the town, reports on the workings of the two committees, updates on key issues and a place for local clubs and associations to share news on events, plus a very successful programme of coach trips.
