Planning Matters

he second public consultation on the new Basildon Local Plan ends on Monday 14 April so you still have time to comment on the council's plans. Please visit www.basildon localplan.commonplace.is to take part.

Basildon Borough Council has recently updated its timetable for the new plan and now expects to produce a final version late this year for submission to the Government for examination in January next year. Previously they were aiming to do so by the end of this June. It's clear that there is a lot more to do so that extra 6 months make some sense. There will be a further public consultation on the final plan.

Sadly, we have seen yet another major planning application approved for Green Belt land in Billericay with an estate for 480 houses given the go ahead north of London Road and to the west of Mountnessing Road. This follows the 250 houses approved in January for Green Belt land west of Laindon Road.

In both cases the applications were deemed to be on 'grey belt' land under new planning guidance as they do not contribute strongly to the purposes of the Green Belt. It is becoming increasingly clear that the Government sees house building as the priority over our productive farmland & environment, and Basildon Council are happy to comply by allowing these developments.

We need more houses for local people but the number being proposed through the new Local Plan, in excess of 27,000, is far too many, especially as it will need the widespread loss of the countryside. Once it's gone it's gone, and it's already being eroded away!

HAVE YOU VISITED SOUTH GREEN MEMORIAL HALL?

n 8th May 1945, during the V.E. Day celebrations at South Green, an idea was born to build a community hall in memory of those who lost their lives during the conflict.

A fundraising committee was formed and the land was purchased in 1948. Fundraising continued and the South Green Memorial

Hall was finally opened on 7th July 1956. Since then, the hall has been extended and improved by the hardworking committee of volunteers to provide a meeting place for local activities including Grenfell Preschool, W.I., Village Council, Yoga, Karate, Bowls, Ladybirds, Brownies and Line Dancing, as well as being the local polling station and venue for children's parties and other events. The hall can be booked through the website www.southgreenhall.co.uk

On Bank Holiday Monday 5th May the hall is holding a V.E. Day commemoration from 10.30 to 2.30 with displays, stalls, refreshments, children's activities, and information about the groups that use our hall. Admission is free and open to all so pop along and see what we have to offer.

What's Occurring at Lake Meadows?

f you've been to Lake Meadows recently you may have noticed that the cafe, has been closed for refurbishment, and opened looking very smart on the 1st February, as Lakeview Palace, under a new leaseholder. Mike.

Mike doesn't come from this area and still runs a very successful similar premises in Lodge Park Hornchurch, which is also called Lakeview Palace. He has undertaken a total refurbishment of the café, with new flooring furniture and décor as well as installing heating as the café will be open 52 weeks of the year. He is now offering a full menu seven days a week, from 8.30 to 17.00.

There is something available for everyone, all day breakfast, lunches, including a special of fresh fish on Fridays, gluten free and sourdough breads, protein smoothies and a vegan menu, as well as deserts and cakes. Cakes are baked and delivered fresh from a local supplier, Clairey Fairy Cakes, based in the High Street.

Staff include Mike, Alexandra, Yaseen and Ugur in the kitchen. Mike and his team have found Billericay and warm and welcoming place, so if you are thinking of walking the dog, (it's also dog friendly), taking the kids out for some fresh air, or just looking to meet friends for a chat, head for Lake Meadows, stay a bit longer and visit Lakeview Palace.

Billericay Bowling Club is at the heart of the town, located in the beautiful Lake Meadows park, and the game is rich in history.

History

Bowling was first played in the UK in 13th century, but a version of the game was played by the Ancient Egyptians.

Billericay Bowling Club was founded in 1929 with the original green in a back garden in Western Road. In 1933 it moved to the back garden of Mr C J Taylor, the corn merchant who lived in the High Street adjacent to Rose Lane, occupied by Lloyds Bank until recently.

In 1935 the club moved to its present site in Lake Meadows, disbanded play during WWII and reformed in 1948.

Billericay Bowling Club is based in Lake Meadows Park and will be holding a

FREE Recruitment Open Day

on Sunday 4th May 2025 from 10.00 a.m. to 3.00 p.m.

Q: Can I have a go to see if I like it?

A: Yes, just contact Sue on 07907 193080 in advance to book a free one hour session.

This is a Fun Day and all ages and abilities are welcome.

Q: Do I need any special equipment?

A: Only flat soled shoes. We will supply the bowls.

Q: Is coaching available?

A: If you enjoy the Open Day we will be arranging several coaching sessions during the next 2 to 3 weeks.

O: How often can I bowl?

A: Our summer season outdoors starts on 1st May and ends on 31st Sentember

Practice bowling is available every day and Club games take place on Monday afternoons and Thursday mornings.

Q: What happens after I join?

A: Each new member is allocated a 'buddy' to guide them during the early days and coaching by qualified, friendly coaches is available on a one-to-one basis.

The Game

Bowls, is mainly played on grass or "green" and is known as lawn bowls or lawn bowling. It is classed as a sport and after football, bowls has the second highest number of clubs in the country. Players try to roll their bowl closest to a small "jack". The bowls are designed so that they turn slightly when rolled. The game can be played in Teams or individually.

The Benefits

Bowling is a fantastic way to have fun, enjoy the fresh air, exercise and make new friends. Whatever your physique, bowls is a sport for everybody, and it will help improve your fitness levels and mental wellbeing.

Inclusive

At Billericay, we have 95+ members of varying ages and abilities.

We have diverse ways of enjoying the sport to suit all. Some of our members love playing 2 hours of social play, once or twice a week. If the bowling bug really bites you there are opportunities to play more frequently in various competitions and in friendly and league games against local clubs. Some of our members have progressed to playing at County level, (sooner than you might think!).

Why not give it a go

During the Summer season (May to September) we play seven days a week, depending on the weather, so lots of opportunity to play regardless of whether you are retired, still working or even a student.

It is normal to feel slightly apprehensive about starting

something new, but bowls is a sport that is easy to take up. The rules of the game are simple, the basic technique is not complex, and you don't need lots of new kit.

Support

Whether you come and see what it is all about at our annual Open Day or by making a separate appointment:

- The 'have a go' sessions are free, as are follow up coaching sessions for those that want to get more experience.
- We give people the opportunity to find out what lawn bowls is all about and Bowls are available to use. The only 'must' is to come equipped with flat-soled shoes or trainers.
- Club members will help cover the fundamentals of bowling in a fun way.
- Up to four more free sessions can be arranged, giving you the opportunity to see whether membership of the club is your next step.
- If you decide to join, our new members are allocated a 'buddy' to guide them through the early days and further coaching is available on a one-to-one basis by qualified coaches. At no extra cost!

Spring has finally arrived at the park! After the long dark winter with its grey skies and buckets of rain, at last the sun and blue skies by day have given way to wonderful clear starry nights. We have been fortunate to see the rare progression of the planets across the skies, with Venus shing brightly and pink Mars easily identified.

Cornelian Cherry

Anenome Blanda

Pink Camelia

Hellebores

Everywhere you look flowers, shrubs and trees are bursting into bud and we are fortunate in having some unusual ones in the park. A pink camellia in the Garden of the Child, and a larger one in the rhododendron bed, have been heralding the way for others to follow, with catkins dancing on the nearby contorted hazel tree. Bright yellow aconites have appeared disappeared snowdrops and blue anemone blanda have appeared in succession. Near the Lake Avenue entrance, almost hidden amongst other shrubs, is a cornelian cherry (Cornus Mar), with its dusting of unusual yellow flowers. Opposite, the mass of hellebores share the fern bed with new fern fronds and a host of golden daffodils, whilst others trumpet Spring's arrival from the rhododendron bed.

Our gardeners are back at work again and they look forward to other new people joining us soon. There is always plenty to do at this time of year, so anyone who feels like joining our friendly group on a Tuesday morning, from 9.30am, will be most welcome. You do not need any special gardening skills, just turn up with gardening gloves and sensible shoes. We have lots of tools!

Although fewer than in previous years, many waterbirds are returning for the summer, with a lovely long-legged heron recently seen, as well as a swan and our friends the Canada geese. The air is filled with birdsong again and the woodpecker's drumming Pleasingly, blue tits have been busy building their nests in our wooden nesting boxes. In early May, we shall be holding our annual early morning bird walk. You will need to be up early to join the group - details are on our website

MATTERS

Top 10 reasons to review your will

pring is the perfect time to refresh and reassess important matters - starting with your will. Personal circumstances can change, and it is essential to ensure your will reflects those changes. We advise you to review your will every few years or when you have a significant life event.

Here are 10 reasons to update your will:

- 1. Updating your will when you **buy a property** – A new property affects your estate value and distribution. Ensure your will reflects these changes, including specific gifts.
- 2. Loss of an executor or **beneficiary** – If someone named in your will has died, update your executor and beneficiaries.
- 3. Marriage, civil partnership, or divorce - Marriage revokes your will unless made in

contemplation of it, while divorce can affect how your estate is distributed.

- 4. Having children Include provisions for your children, including guardianship for those under 18.
- 5. Losing your original will -If you lose the original, it may no longer be valid. Consider safekeeping with a solicitor.
- 6. Financial changes Significant financial shifts may affect your estate's distribution or tax implications.

- **7. Executor review** Ensure your appointed executor is still suitable. especially if there have been changes in their circumstances.
- 8. Disinheriting someone If you no longer wish to include someone, update your will to reflect this decision.
- 9. Debts of a beneficiary If a beneficiary develops financial issues, consider setting up a Trust or removing them entirely.
- **10. Changes in the law** Legal changes, such as in inheritance tax

laws, may require adjustments to your estate plan.

Regularly reviewing your will ensures your wishes are followed. If you do not have a will, now is the perfect time to arrange one.

Contact us today to schedule a review or consultation with one of our specialists.
