## Billericay pays tribute to an extraordinary monarch

**S**chools, businesses, churches and charities across Billericay stood together and painted the town with royal colours once again but this time as a mark of respect for the loss of our great monarch, Queen Elizabeth II.

A book of condolence was opened at the Chantry Centre by Billericay Town Council and the war memorial was lit up in purple.

The green area by the café at Lake Meadows was chosen as a place of reflection and remembrance. Just days after the announcement of The Queen's death it evolved into a sea of flowers, as people paid their respects with floral tributes and personal messages.

Many Billericay residents

braved the crowds of London and visited Buckingham Palace and the Lying-in-State at Westminster Hall. A once in a lifetime opportunity for many who queued for hours on end.

Throughout her incredible reign, Queen Elizabeth II demonstrated an extraordinary dedication to duty, performed with grace, strength and dignity until her last days. She remains an inspiration to our town and will be a monarch many of us will never forget.

# BDRA NEWS

Thanks to the actions of the BDRA Sun Corner will remain into perpetuity an area for local people to enjoy, its status denying any incursions by property developers. Following some investigative work by John Buchanan, a former Chair of the BDRA, he discovered that application could be made for the site to become a Queen Elizabeth II playing field. This was achieved in 2012.

At the recent JAC meeting, mention was made of a proposal to erect a local memorial to Queen Elizabeth II and it was thought fitting that Sun Corner should be among the sites considered.

The JAC will continue to monitor the changes in the High Street following the closure of most of the banks in the town. Consideration is also being given to the introduction of a High Street survey using the new facebook page from which opinions of residents can be gauged as to how they would like to see their High Street going forward.

Whilst the draft Local Plan was withdrawn by Basildon Council earlier in the year some of the sites in that Plan were, or subsequently have been, the subject of separate Planning Applications. All of those in the Billericay area have been rejected, primarily for being in the protected Green Belt. Some appeals have been raised, including one related to the Kennel Lane site where 200 houses were proposed. The results of these appeals will be closely monitored by the JAC.

Other applications for planning permission were scrutinized and objections were raised where thought necessary.

Further information was received regarding the situation of the garages in Salesbury Drive on land owned by Waltham Forest Council. Local residents have met and have recorded their deep concern regarding the condition and safety of the site. The JAC has alerted Councillor Schrader.

On a lighter note, the JAC members were pleased to learn that Christmas lights would once more bring a sparkle to the High Street.

## CAN YOU HELP? Membership Secretary Vacancies

We are looking for two new people to join us as Membership Secretaries. If you can spare a few hours a month of your time to volunteer for us and become the main point of contact for the successful delivery of our magazine, please contact us [resident@bdra.org](mailto:resident@bdra.org) for more information.

To remember those who served and sacrificed, our Chair, Keith Bailey, will be laying a wreath at the War Memorial in Billericay on Sunday 13 November.

## A warm welcome to our new editor

**Lisa Ronchetti has joined BDRA as volunteer editor.**

An ex-Londoner, converted Billerician, Lisa is a Marketing Consultant and brings with her a range of

skills having also run her own pr agency in the big smoke

She says: "I fell I love with Billericay the very first time I came to view houses here 2 years ago. I was finally able to settle in this summer. I can't get over how big the

spiders are here. The thing I love most is how friendly the residents are.

"It's impossible to go on a walk without saying hello to someone and I find myself coming home with a smile on my face every morning.

"Joining the BDRA is an opportunity for me to get to know the town better, help raise the issues at heart and to give something back to the community".

Lisa welcomes new stories about our town's people and places.

**Have you recently moved to Billericay?**

**Perhaps you've been here a bit longer?**

**Have an interesting story to tell us?**

# Letters...

*Dear Residents,*

Following an article in the September issue of The Resident concerning the Mayflower Morris Men we received a letter, published in the October issue, not only criticizing the content of the article but also attacking the author and using inappropriate language. To make things worse an editorial comment added to the attack.

Both letter and editorial were factually incorrect. This was a grave mistake, and we can only apologize not only to the Mayflower Morris Men in general but to Mr Whybra in particular for a totally unwarranted attack on him and his group.

Lessons have been learnt.

Once again, to all concerned we are sorry.

# Developments at The Fold

**The Fold Arts Centre provides facilities for a number of local community groups, some of which would be impracticable if permanent facilities were not available.**

In previous editions we have reported on suspected plans for the redevelopment of Reids, the complex adjacent to the Fold, and the subsequent fire at Reids.

A formal Planning Application has now been submitted for the development of 35 flats on the Reids building site and the adjacent car park.

In principle The Fold would not appear to be materially affected by the proposed development. However, many BDRA members attend the Fold and already know the

parking problems which currently exist if several groups are present at the same time. The signs put up by Reids threatening dire consequences for Fold users who stray into the Reids car park are testament to the problems.

The BDRA is concerned that the new developments will significantly worsen access and parking conditions at the Fold, and given the recent experience of conflagration may even increase the risk for the Arts Centre, nursery and commercial users of The Fold.

The BDRA believes this would be a perfect opportunity for Basildon Council and our elected councillors to balance the commercial aspirations of a local business, the profit aspirations of the chosen

developer and the improvement needs of a local community asset to make this a location which brings benefits to all sectors of the community instead of a plan which merely worsens the facilities available to residents.

## Love Running?

**Do you know about two great, free events that are staged at Lake Meadows every weekend?**

Billericay parkrun takes place every Saturday at 9am. parkrun is a free, timed, fun & friendly 5-kilometre event

where walking, running and volunteering are all equally great ways to participate.

Lake Meadows junior parkrun is every Sunday and also starts at 9.00am. junior parkrun is for 4 to 14-year-olds and their families over a 2-kilometre course.

Both events offer great ways to get and stay active, an opportunity to leave the sofa far behind and a chance to enjoy the lovely surroundings of the Lake Meadows with likeminded locals.

Parkrun is free and is not a race! Every finish is celebrated and valued equally. Some participants walk, some jog, some run and some volunteer – whatever works for you is absolutely fine.

Visit the parkrun Facebook page or website to register free and access to your personalised barcode

# BILLERICAY MAYFLOWER ROTARY ON COURSE FOR ANOTHER BRILLIANT CHRISTMAS MARKET

Plans are already well under way for Billericay Christmas Market 2022. This hugely popular, free event takes place on Sunday 4 December, and heralds the start of the Christmas season in Billericay, with over 150 stalls, ranging from craft Christmas decorations to craft beer!

The High Street will be closed to traffic for the day, so that families can enjoy festive entertainment and Christmas shopping: many of the High Street shops will remain open for what is always one of their most successful days.

Led by a pipe band, dancers, and circus acts, Santa's parade starts at 11am and will launch the event organised for the eleventh year by Billericay Mayflower Rotarians supported by their team of "Big Eventers", and colleagues from other local clubs.

Santa will slowly make his way to the Chantry Centre to welcome hundreds of children where they will receive a very warm welcome and a free goody bag.

Street entertainers and flash mobs from local dance schools will help to provide the party atmosphere and there is a fairground for young visitors, not forgetting the wide range of food and drinks on offer.

Mayflower's Event Manager David Randall said: "The Market is a big, FREE attraction for the town's families, and for folk coming in by bus, train, and

car from surrounding areas. Special thanks for this charity event go to our Platinum sponsors: Paul Robinson Solicitors; Ground Control; the Outlet Farm, and Anisha Grange. Our generous sponsors help to keep the cost down for visitors, with subsidised kiddies' funfair rides, some at just £2."

All surplus funds raised after the cost of staging the event is met, will go to Rotary-supported charities, which over the last year have included BOSP, Barrow Farm Riding for the Disabled, Kool Carers, KidsOut, and others.

Autumn is turning at the park and putting on her amazing coloured cloak. Wonder as you wander around the paths, see the Liquid Amber trees in golden leaf at the crossroads above the Garden of the Child, the nearby red oak and copper beech and the maples and cornus plants at the far end of the lake. One bush in particular celebrates autumn with its blaze of red – look out for the *Euonymus Alatus*, the Burning Bush or Winged Spindle tree, an unusual shrub with almost triangular twigs.

The gardeners have been busy planting hundreds more bulbs throughout the garden areas and by now they will have planted out over 600 winter bedding plants too. The team will be finally tidying the park for winter, when they have a well-earned break and hang up their tools until February.

## Help plant the next generation of woodland this December

Two working parties will be taking place to improve the

woodland before the winter comes.

First, a group of volunteers will be cutting back the scrub holly, which is fast growing and needs trimming back to keep paths and ditches clear and allow other woodland flora to spread – look out for the date!

Secondly, on **December 8th at 10am**, a joint working party will plant hundreds of tree whips in the area near the fir trees, at the top of the hill on the north-east

park boundary. A new area of woodland will be created, which will gradually grow over the next 50 to 100 years and more, providing a larger habitat for the bats and birds and hundreds of insects, which live amongst the trees. If you would like to help with either of these working parties, please watch our website for details or get in touch either by phoning **07843 860 135** or emailing us on [secretary@lakemeadows.org.uk](mailto:secretary@lakemeadows.org.uk). All ages very welcome!

## Save the date for Carols in the Park

We are hoping that our Carols in the Park will return again this

year and we look forward to you joining us once again for this special event, which we are planning for **Saturday December 17th at 4pm**.

There is something special about singing carols by torchlight on a chilly evening, especially if the stars are out. Musical accompaniment will be provided by the Forging Men, and there will be tasty nibbles and mince pies, with mulled wine and non-alcoholic drinks as well. The event will be free, but donations will be appreciated to help cover our costs. No need to book, just turn up near the boathouse, but do bring a torch with you!

# Back with a Bang! Billericay Round Table Charity Fireworks Display

Billericay Round Table are proud to be holding its Charity Firework display on Saturday 5 November at Lake Meadows park in Billericay.

Organised by its members, aged between 18 and 45 years of age, the Billericay Round Table team continue to work hard to keep this event as the biggest and best event of its kind in Essex.

The club's Media & PR Officer, Gary Tilley, commented: "After two years break due to COVID we are real keen to make this event and raise good money for our Charity account which will allow us to donate money out to good local causes and projects as well as individuals that need assistance. We know from recent events people do travel from across the South East, for a local charity event this is great to see."

Round Table chairman, Neil Cambell commented: "Thanks to our community and local supporters who have ensured the event goes off with a BANG. We are also very grateful to all the volunteers who assisted us before, during and after the event, all of their effort is hugely appreciated."

This year, Joe Sandercock is the main event organiser, it's Joe's first time as the big boss and he is doing a sterling job, we are all keen to see another great weekend. As well as the Radio Essex with Martin, Su and Marky T on stage keeping people entertained with some great local singing acts. A large bonfire will be lit and fireworks will be wowing the crowd. There will also be a variety of food and drink facilities available throughout the evening.

Following on from their success in previous years, there is a resounding confidence that this year will be another great family evening to remember. It is really encouraging to see a few thousand tickets being purchased within the first two weeks and we strongly recommend you buy tickets now.

Gates open at 5:30pm, full event details can be viewed online and on facebook.

## Alzheimer's – why it's important to have a lasting power of attorney

**A**lzheimer's is a progressive disease, which sadly means there may come a time when people who have been diagnosed with Alzheimer's are unable to manage their own personal affairs. In such circumstances, it is beneficial to have prepared a Lasting Power of Attorney (LPA).

These documents allow for a trusted friend, neighbour, family member or professional to assist you with your finances and health requirements should you be unable to do so yourself. You will still have full access to your own bank accounts and can still make your own decisions if you have capacity, but it means that there is another individual able to step in if you were to need help.

### There are two types of LPA

If you put in place both the Property and Financial LPA and the Health and Welfare LPA your attorney (the person you appoint) can assist with many elements of your life, such as making arrangements in relation to care

plans, managing your bank account and paying your bills, collecting your prescriptions or speaking with your GP on your behalf. They could even help with the sale of your property if that becomes necessary.

Your attorney can act for you in all aspects of your life and must act in your best interests, while hopefully taking on some of those everyday tasks and removing many of the worries you may have.

There are many situations in which these documents are of real help at a time of stress and crisis. Unfortunately, we hear of too many circumstances where

there is no LPA in place and the person's loved ones find themselves in difficulty.

Please talk to us for more information and to ensure that your future will be protected.

## **THURSDAY 16<sup>TH</sup> FEBRUARY 2023 – AN EAST ANGLIAN PANORAMA TOUR INCLUDING MORNING COFFEE AND TWO COURSE LUNCH ★ NEW FOR 2023 ★**

Join us to explore slumbering villages and pastoral scene immortalised by Constable and Gainsborough. With morning coffee & a two course lunch included this is a super day out in the valley home of artists and weavers. Meet the Blue Badge Guide in Long Melford at 10.30am for morning refreshments before our coach tour of beautiful rolling East Anglian landscapes dotted with quintessentially English thatched villages and the great cloth towns of mediaeval Suffolk including Clare and Cavendish each as pretty as a picture postcard. Back to Long Melford for a two-course lunch. Choose from a selection of dishes and desserts, including gluten free and vegetarian options over morning coffee. After lunch stretch your legs with a little free time to explore the long high street of this engaging Suffolk village. Long Melford has one of the richest of the East Anglia wool churches - there's time to take a look. To round off a great day out we visit Lavenham. Looming above the horizon the tower of St Peter and St Paul heralds our arrival in this immaculately kept town of crooked and timbered weavers' cottages.
